Mr. Shabtai Shavit z"l

Head of the Mossad, Chairperson of ICT,
Patriot & Friend

1937 - 2023

We are shocked and deeply saddened by the passing of Mr. Shabtai Shavit, Z"l, former head of the Mossad and Chairperson of the Board of Directors of the International Institute for Counter-Terrorism (ICT) at Reichman University.

Shabtai was an exemplary son of the State of Israel. He was one of the earliest fighters in the Sayeret Matkal unit and held many positions in the Mossad, among them head of the Caesarea Division, before being appointed to head the organization. During his tenure as head of the Mossad, Shabtai worked to expand and strengthen the secret relations between the Mossad and organizations and countries in the region and around the world. One of his most notable achievements was his crucial role in the establishment of the peace agreement between Israel and Jordan.

Upon his retirement from the Mossad in 1996, Shabtai became one of the founders of the International Institute for Counter-Terrorism at the university. For the past 27 years, he has worked tirelessly to advance the institute's mission, contributing his extensive knowledge and experience to help eradicate terrorism in Israel and the world.

Our heartfelt condolences go out to Dr. Michal Shavit, Shabtai's daughter and a lecturer at the Lauder School of Government, Diplomacy & Strategy, to his widow, Yael Shavit, and to the entire family.

With the passing of Shabtai, we bow our heads in sorrow. The State of Israel has lost a brave warrior who dedicated his life to the country and its security, and Reichman University has lost a cherished friend and partner on our journey.

May his memory be a blessing.

Prof. Uriel Reichman, Founding President and Chairperson of the Board of Directors, Reichman University,
Prof. Boaz Ganor, Founder and Executive Director, ICT,
