### 1. [Application Periods](#)

[Regular Application](#): November 1, 2023 – July 31, 2024

[Late Application](#) for applicants who don't need pre-requisite: until August 31, 2024

All forms and documents must be submitted to the Raphael Recanati International School Admissions Office by July 31, 2024 (applicants who don't need pre-requisite courses need to submit all required documents until August 31, 2024). Applications will not be reviewed or considered until all required documents are submitted.

Applications are reviewed based on availability, and admission will be subject to compliance with the admissions requirements as well as the approval of the Admissions Committee. The number of available spots in the graduate degrees are limited, and Reichman University reserves the right to impose stricter criteria on applicants who apply during the late application period or on applicants who submit any required information, transcripts, or documents during that period.

## **2. Registration Fee**

The Registration fee is 300 NIS / \$100 USD, to be paid via the Online Registration Form and is non-refundable.

## **3. Application Programs**

The Raphael Recanati International School offers nine graduate programs taught in English:

1. MA in Financial Economics
2. MA in Government with Specializations in:
  - a. Counter- Terrorism & Homeland Security Studies
  - b. Diplomacy & Conflict Studies
  - c. Specialization with Thesis
3. One-Year MBA
4. Global MBA with Specializations in:
  - a. Innovation & Entrepreneurship
  - b. Strategy & Business Development
5. MBA in Healthcare Innovation
6. MA in Human-Technology Interaction (HCI)
7. MSc in Machine Learning and Data-Science
8. MA in Behavioral Economics

### **Please note:**

- Please note that it is not possible to apply to more than one program at a time. When applying, a candidate is applying to a specific degree program and not to the Raphael Recanati International School as a whole.
- There are several programs within each of Reichman University Schools and their admissions criteria may differ.
- Students, who decide to apply to a program after they already submitted an application for a different one, are required to notify the admissions coordinator in writing. Admission will be based on availability and the admissions criteria for that program.

#### 4. Academic Requirements

##### **One Year MBA**

- Completed undergraduate degree with a GPA of 85% (3.3) or above from a recognized academic institution
- Applicants with a BA in engineering need a GPA of 80% (3.0) or above
- Applicants with a GPA below the requirement can present a GMAT score of at least 47 in the quantitative field.
- The One Year MBA does not require previous work experience.
- Applicants who come from a non-quantitative degree will be required to take prerequisite courses in Mathematics, Statistics and Microeconomics.

##### **Global MBA**

- The Global MBA requires at least three years of professional work experience following BA completion.
- Completed undergraduate degree with a GPA of 80% (3.0) or above from a recognized academic institution
- Applicants with a GPA below 80% can present a GMAT score of at least 47 in the quantitative field.
- Applicants who come from a non-quantitative degree will be required to take prerequisite courses in Mathematics, Statistics and Microeconomics.

##### **MBA in Healthcare Innovation**

- The MBA in Healthcare Innovation requires at least three years of professional work experience in the Healthcare field following BA completion.
- Completed undergraduate degree with a GPA of 80% (3.0) or above from a recognized academic institution
- Applicants with a GPA below 80% can present a GMAT score of at least 47 in the quantitative field.
- Applicants who come from a non-quantitative degree will be required to take prerequisite courses in Mathematics, Statistics and Microeconomics.

##### **MA in Financial Economics**

- Completed undergraduate degree with a GPA of 80% (3.0) or above from a recognized academic institution
- Applicants must have a strong quantitative background with at least two semester-long courses in Statistics and Calculus from their undergraduate degree.
- Preference will be given to applicants with undergraduate degrees in Computer Science, Economics, Business, Exact Sciences and Engineering.

- Prerequisite courses in Mathematics and Economics are provided right before the program starts and are required for full acceptance.

### **MSc in Machine Learning & Data Science**

- Completed BA or BSc degree with a GPA of 90% (3.7) or above from a recognized academic institution.
- Applicants with a BSc in Computer Science need a GPA of 85% or above.
- Non-Computer Science students will be required to take the following 3 prerequisite courses: Introduction to Computer Science and Programming in Python; Data Structures Algorithms and Complexity; Introduction to Operating Systems and Databases.
- Students with an insufficient quantitative background will be required to complete the following prerequisite courses: Linear Algebra for Data Science; Calculus A/B; Probability Theory.

### **MA in Human-Technology Interaction (HCI)**

- Completed undergraduate degree with a GPA of 82% (3.15) or above from a recognized academic institution in a relevant field (partial list of relevant fields: communications, computer science, engineering, psychology, design, art, media, architecture, information systems)
- In exceptional cases, students who don't meet this requirement can be accepted based on their portfolio or professional experience.
- The following prerequisite courses are required: Introduction to Computing Principles (waived for students with a BSc); Introduction to Applied Research Methods (waived for students with a Psychology degree); Introduction to Visual Design (waived for students with a Design degree); Introduction to Human-Computer Interaction (waived for students with an Interactive Communications degree)

### **MA in Government**

- Completed undergraduate degree with a GPA of 80% (3.0) or above from a recognized academic institution
- Applicants for the thesis track and specialization with thesis need a GPA of 88% or above from the undergraduate degree.
- Prerequisite courses in International Relations, International Politics and Research Methods may be required.

### **MA Behavioral Economics**

- Completed undergraduate degree with a GPA of 80% (3.0) or above from a recognized academic institution.
- Interview either in person or online
- Personal statement stating why you are interested in this program, and your professional career goals as they relate to the program.
- Students who do not have any background in quantitative fields will be required to take preparatory courses ( Mathematics, Microeconomics and Statistics)
- Students who do not have a background in Psychology must take an Introduction to Psychology course.

## **5. Required Documents**

**When applying to one of the RRIS graduate programs, all applicants must submit the following:**

### **1. A scanned copy of an Israeli ID card or an international passport**

### **2. Undergraduate Transcript**

Applicants must submit official transcripts of previous academic undergraduate and graduate studies. Applicants in their final year of studies may submit partial transcripts. Acceptance of these applicants is contingent upon receipt of final transcripts that show they graduated their BA and that their final grades are similar to those earned in previous semesters.

An official, notarized English translation must be submitted for all transcripts not originally issued in English.

### **3. Undergraduate Diploma**

Applicants must submit an official copy of their undergraduate diploma. Applicants in their final year of studies may apply without a diploma. Acceptance of these applicants is contingent upon receipt of an official copy of the diploma / diploma eligibility before the beginning of the academic school year.

### **4. Curriculum Vitae (CV)/Resume**

Applicants must submit a CV (in English) detailing their educational and professional history. Please make sure your full name is at the top of your CV and that it is in professional CV format.

### **5. English Proficiency Exam**

The academic curriculum of the Raphael Recanati International School is taught entirely in English. If English was not the primary language of instruction in the applicant's undergraduate degree, they are required to pass an English Proficiency Exam. All applicants must prove their English

language proficiency validated through a TOEFL (above 90), IELTS (above 6.5), or AMIRAM (above 120). Applicants who studied their BA in Israel, are exempt from the English proficiency exam.

**In addition, each program requires further documents:**

The documents can be found for download on the online registration form.

- **One Year MBA / Global MBA:**
  - Questionnaire of their specific track
  - Bio Form in WORD format
  - Two letters of recommendation
  
- **MBA in Healthcare Innovation**
  - Questionnaire
  - Bio Form in WORD format
  - One letter of recommendation
  
- **MA Behavioral Economics:**
  - Essay
  - Two references, with valid contact details (Reference details must be completed as requested in the online registration form)
  
- **MA in Government**
  - Two letters of recommendation
  - Personal Statement: One page explaining applicant's background, interest in the program and aspirations.
  - For the thesis track a two-page personal statement highlighting academic background, research interests, and professional aspiration is required.
  - Thesis applicants must submit a 10–15-page writing sample on any subject in either English or Hebrew.
  
- **MA in Human-Technology Interaction (HCI)**
  - Admissions Survey
  - Completed table of Reference Contact details
  
- **MSc in Machine Learning and Data-Science**
  - A one-page personal statement in English highlighting your background and professional aspirations
  - Completed table of Reference Contact details

\*\*\*\*\*

Once an application is received and processed by the RRIS Graduate Admissions Office, the candidate will receive an e-mail confirming the receipt of their application. Should any further

documents be needed, the candidate will receive a detailed e-mail from the admissions officer listing the documents that must be provided.

Candidates who present non-original transcripts at the time of registration will be evaluated based on the data presented. Original documents need to be presented by the beginning of the academic school year. Candidates who don't present their final original transcripts and diploma by the beginning of the academic school year may get rejected from the program.

## **6. Admissions Process**

The process of admission to graduate studies includes a number of steps:

**Phase A** – Submission of all required documents and completing the candidate's file.

**Phase B** – The candidate's file is transferred to the admissions committee of the program of choice, who examines the candidacy according to the academic (and professional if required) details.

**Phase C** – In programs where an admissions interview is required and if the admissions committee decides to invite the candidate to the interview stage, the candidates will come for the interview (either online or in person).

### **Please note:**

- Admission to a program is based on the level of the candidate's achievements.
- The RRIS Admissions Committee reserves the right to grant some preference in admissions decisions.
- It is not possible to apply to more than one program at a time. If a candidate does not meet the threshold of the program to which they are applying, they will be offered other options by the Admissions Officer without the need to reapply.
- Applicants who are accepted must complete the application process, including payment of a tuition deposit, within the specified time limit, following notification of acceptance. Paying the deposit is a commitment to studying at Reichman University in the coming academic year and to complying with the tuition regulations.

## **7. Freezing Studies**

Applicants who have been accepted to a graduate program can request to postpone the start of their studies for up to two years, after paying the down payment. Applicants who want to freeze need to submit a written request to the admissions office until July 31<sup>st</sup>. Approval of their request will be subject to the decision of the admissions committee.

In order to unfreeze and begin their studies, applicants need to submit a written notice to the admissions office by May 1<sup>st</sup>. This notice will ensure a secured spot in the program. If a candidate was accepted on condition of completing prerequisite courses, he will need to complete them until the beginning of the academic school year.

Requests to unfreeze who will be received after May 1<sup>st</sup> will be reviewed based on availability.

If applicants decide not come study at Reichman University after freezing studies, the down payment will not be refunded.

## **8. Prerequisite Courses**

Each of the graduate programs in the RRIS requires different prerequisite courses which need to be completed prior to the beginning of the academic year. They are designed to teach new students various skills that will be necessary to succeed in their graduate studies.

Which pre-requisite courses an applicant needs to take is determined by the admissions committee of each program on a case-by-case basis. The admissions committee may exempt qualified candidates from the pre-requisite courses.

The fee for the pre-requisite courses is not included in tuition and needs to be added to the down payment.

The Admissions Committee reserves the right to cancel acceptance of an applicant who does not complete the preparatory courses with the grade of 70 or above.

### **The following Pre-Requisite courses are required:**

- **One Year MBA / Global MBA / MBA in Healthcare Innovation:**
  - Economics
  - Mathematics
  - Statistics
  
- **MA in Government**
  - International Relations
  - Research Methods
  
- **MA in Human-Technology Interaction (HCI)**
  - Introduction to Computing Principles
  - Introduction to Applied Research Methods
  - Introduction to Visual Design
  - Introduction to Human-Computer Interaction

- **MSc in Machine Learning and Data-Science**

General Math Background

- Probability Theory
- Linear Algebra A
- Calculus A
- Linear Algebra B
- Calculus B

- General Computer Science Background

- Introduction to Computer Science and Programming in Python
- Data Structures, Algorithms and Complexity
- Introduction to Operating Systems and Databases

The admissions committee of the MSc in Machine Learning may require applicants to enroll in a prep-year prior to beginning their degree to complete the above pre-requisite courses.

- **MA Behavioral Economics:**

- Economics
- Mathematics
- Statistics
- Introduction to Psychology

## **9. Learning disabilities, statements of disability, students with disabilities and receiving accessibility accommodations**

The University's requirements and the procedures are set out in the Academic Regulations and are updated from time to time on the website of the Dean of Student Affairs:

<https://www.runi.ac.il/en/students/dean>.

In the event of any discrepancy, the regulations as they appear on the Dean of Student Affairs website prevail. The online forms are revised on occasion and when submitting a request for accommodations the requirements are according to those that apply at the time.

- Contact information for the Reichman University Accessibility Coordinator appears on the website of the Lea and Naftali Ben-Yehuda Accessibility & Study Skill Center:  
<https://www.runi.ac.il/en/students/accessibility>

For the academic regulations in an accessible format, contact the Accessibility Center by email, for assistance with filling out forms, such as read aloud or enlarged text, contact [negishut@runi.ac.il](mailto:negishut@runi.ac.il) or by phone: 09-9602738.

### **Learning disabilities / attention deficit disorders**

Reasonable accommodations are provided by Reichman University for students who have been diagnosed with learning disabilities or attention deficit disorder.

Students who want the University to recognize their learning disabilities and be eligible for exam accommodations are required to submit appropriate documents to support their requests.

Students who have completed high school in Israel and did regular Bagrut exams (without special accommodations for new immigrants), even if they are studying in the international program, must do a specific standardized test called Matal "מת"ל. For more information, please refer to the [Hebrew guidelines](#).

For international students who have completed high school outside of Israel: Please carefully read the procedure for applying for exam accommodations for learning disabilities and/or ADHD on the Dean of Student Affairs website:

<https://www.runi.ac.il/en/students/dean/learning-disability/submit-students-diagnosis/>

Students who apply for exam accommodations no later than 5 weeks before the end of a semester will be able to receive accommodations for that semester's exams. Applications submitted after this time will be processed in accordance with the University's time constraints.

For inquiries regarding diagnostic reports, or for help uploading your documents, please contact: [hatamot@runi.ac.il](mailto:hatamot@runi.ac.il)

For inquiries regarding psychological counseling: [psyhelp@runi.ac.il](mailto:psyhelp@runi.ac.il)

Or visit the Psychological Counseling Services [website](#).

### **Medical disabilities**

Students who wish to receive accommodations due to medical disabilities (physical or sensory) need to submit a request together with the appropriate medical documentation from relevant specialist doctors.

The application for accommodations has to be submitted by the beginning of the academic year via the Candidate Information Station.

Carefully read the procedure for applying for accommodations and follow it. Detailed instructions are available on the Accessibility Center [website](#).

## **10. Financial Aid and Scholarships**

There are various Financial Aid and Scholarship options for graduate students. Please click [here](#) for a full list of the options. For further assistance please contact our Financial Aid Department at [rris.financialaid@runi.ac.il](mailto:rris.financialaid@runi.ac.il).

## **11. Tuition Fees and Terms of Payment for 2024-2025**

### **Down Payment**

The down payment is due within **two weeks** from the date of your acceptance letter and is part of the total tuition fee. The down payment can be paid either by credit card, check or wire transfer to Reichman University's bank account. Please see below the payment options.

	<u>Graduate Programs Priced in \$USD</u> One Year MBA MBA in Healthcare MA in Government	<u>Graduate Programs Priced in NIS</u> Global MBA MA in Financial Economics MA in HCI MSc in Machine Learning
General	The down payment is due in USD. If you choose to pay the required amount in NIS, the value in USD will be determined according to the exchange rate on the day that the payment is received.	The down payment is due in NIS. If you choose to pay the required amount in \$USD, the value in NIS will be determined according to the exchange rate on the day that the payment is received.
<b>Online Payment by Credit Card</b>	Please enter the candidate info station (your login details can be found in your acceptance email) and click on Payments > Credit Card Payment	

	Payment with an Israeli Credit Card allows 3-18 payments with interest.	Payment is possible in \$USD or in NIS. The down-payment amount will appear in the student's candidate info station in \$USD. If the amount is higher than the requested deposit amount in NIS, the extra amount will be transferred to cover the balance of your tuition fee. If the amount paid is lower than the requested down-payment amount in NIS, the difference in NIS will be added to the balance of your tuition payment.
<b>Payment by check</b>	Checks in USD are acceptable up to the amount of \$5,000 per check.	Checks in NIS are acceptable.
<p><b>Please make the check out to Reichman University and send to the following address:</b>  Reichman University (CC)  Tuition Department  P.O. Box 167  Herzliya 4610101  Israel</p>		
<b>Payment by wire transfer</b>	Please make out the wire transfer to: <b>Beneficiary: Reichman University (CC)</b> Bank: 12-Hapoalim Bank Branch: 628-Herzliya Branch Acct. No.: 244144 Swift Code : Poalilit IBAN: IL90-0126-2800-0000-0244-144  A period of one week is necessary in order to receive confirmation of wire transfers. Make sure to indicate the applicant's name and ID/student number on the transaction document and email the confirmation to <a href="mailto:rris.master@runi.ac.il">rris.master@runi.ac.il</a> There may be an extra charge by the bank when wiring a payment. Applicants are responsible for paying any extra fees that may be deducted by the bank.	

### Scholarships / Discounts / Other Funding

Should a scholarship, Student Authority (Minhal HaStudentim) grant, or any other form of funding be granted to the student, the student should contact the tuition department in order to receive a revised payment plan.

**Graduates of Reichman University Undergraduate Programs are entitled to a 10% discount from the total program tuition fees.**

### Health Insurance

The health insurance fee is 1600 \$USD<sup>1</sup> per academic year. For health insurance information (if required), please contact [RRIS.Insurance@runi.ac.il](mailto:RRIS.Insurance@runi.ac.il)

### Student Union Fee

The Student Union fee is 200 NIS / 60 \$USD. This is a one-time payment. Should you decide not to be a member of the student union, please make sure to notify the Student Union Office in writing and sign a concession form no later than Nov. 22<sup>nd</sup>, 2023.

### Disclaimer

Reichman University reserves the right to make changes to all the above-mentioned terms and regulations, without personally notifying all those concerned.

Tuition rates and additional fees are subject to change by Reichman University at its discretion, any time prior to the beginning of classes.

### Regulations and procedures for the cancellation or cessation of studies

A student who has registered to study at Reichman University (RU) and has paid the down payment will be considered a Reichman University student in every respect. If extraordinary personal circumstances arise that prevent a student from fulfilling their commitment to study at Reichman University, the student can cancel their registration by submitting a notification in writing by e-mail and must confirm receipt by the department. In order to avoid any misunderstanding, **a telephone conversation will not be considered official notice of cessation of studies. Only a formal notice in writing from the student**, submitted to the Admissions Office, will be considered valid in this matter.

Reichman University will charge the student partial tuition, at a rate based on the date the notification was received. The exact dates are detailed below for each graduate program separately. The earlier Reichman University is notified, the less the student is charged.

**Notification of cancellation, cessation or freezing of studies, at any date, will result in the cancellation of the student's entitlement to a scholarship or discounts, which will be cancelled retroactively according to the guidelines of the specific scholarship or discount.**

Only after all of the instructions above are completed and all tuition payments are settled in accordance with the cancellation schedule, will the student's account be closed.
